
The Participatory Museum Nina Simon

the participatory museum - digitalmeetsculture - the participatory museum several museums around the world have worked to make their data accessible, by providing free access to datasets, applying creative commons licenses to digital content or creating apis (application programming interfaces) that allow programmers to build their own software on the museum's data. **kidspac: a participatory museum** - kidspac: a participatory museum (the "museum" or "kidspac") is a nonprofit corporation which operates a children's museum in pasadena, california. the vision of kidspac is an evolution of the museum's innovative activities that began over 35 years ago. the focus on kid-driven experiences descends directly from the museum's early ideal **formative evaluation report for the lacmalab nano ...** - formative evaluation report for the lacmalab nano exhibition august 2004 executive summary the institute for learning innovation designed a holistic evaluation design to assess the effect of lacmalab on its visitors, the internal museum staff, artists and collaborators on exhibitions, and the larger museum profession over time. **a new model for participatory museum management** - museum management. confronted with conventional management models, whose aims, work dynamics and narratives are usually defined by closed teams and a predefined logic, somus focuses on participatory models where society and museum form part of the same network to define logics, uses and meanings of the museum. from this perspective and **participatory art museum: collecting and modeling crowd ...** - participatory art museum: collecting and modeling crowd opinions xiaoyu zeng¹ and ruohan zhang² ¹department of art and art history, the university of texas at austin, austin, tx, 78712, usa ²department of computer science, the university of texas at austin, austin, tx, 78712, usa ¹edith.xiaoyu.zeng@utexas (512-998-4072), ²zharu@utexas <https://goo/jyzybq> **introducing participatory design in museums** - introducing participatory design in museums gustav taxén centre for user-oriented it design the royal institute of technology lindstedtsvägen 5 100 44 stockholm, sweden +46 8 790 92 77 gustavt@nada.kth abstract this paper describes how a set of participatory design methodologies have been introduced to and adopted for museum exhibition design. **participatory learning experience (ple)** - we are looking for motivated undergraduate students to participate in the museum's public programs participatory learning experience (ple) program starting fall term 2018. a select group of students will earn one (1) credit/term and will have in-depth exposure to museum's public programs and the natural and cultural history of oregon. **the participatory museum orum f and distributed curatorial ...** - the participatory museum and distributed curatorial expertise thomas söderqvist the series of commentaries in this journal about university col-lections and museums raises a number of issues, which are **the role of technology in participatory museum experiences** - the role of technology in participatory museum experiences barry natusch abstract museum curators have recently begun to collect and arrange exhibits in increasingly innovative ways, to tell stories instead of merely labeling artifacts, to orchestrate interactive events instead of **museum experience design: lessons from across the field** - a participatory process can help ensure a match between the intent of the designers and the resulting experience of the users. it involves a 'situated, radical creativity'¹² from participants. here, i draw on two case studies of the process of designing museum-related experiences to argue that the return on a participatory process is **participatory and transformative engagement in libraries ...** - participatory world. the working group identified the iso-lation of library skills from museum and other professional skill sets as a weakness, and developed a framework for a comprehensive and joint library/museum curric-ulum. the group focused on the concepts, knowledge, and processes that both librar-ians and museum professionals need to un- **discovery via hands-on learning - anything libraries** - participatory library. nina simon, author of the participatory museum has created a road map to working with community members to make cultural institutions more dynamic, relevant and essential places. from the beginning, anything set out to be dynamic, relevant and essential to our community, and 2013 gives us a **no longer - phf** - no longer us and them: how to change into a participatory museum and gallery 10 our museum final report 2016 11 the outcomes and indicators of success are listed in full here, because they essentially define what the foundation expects a participatory museum or gallery to be. we also believe that they have the potential to form the basis of a
