# The Sociology Of Katrina Perspectives On A Modern Catastrophe

**sociology: definition and overview of the field** - sociology, in the broadest sense, is the study of society. sociology is a very broad discipline that examines how humans interact with each other and how human behavior is shaped by social structures (groups, communities, organizations), social categories (age, sex, class, race, etc.), and social institutions (politics, religion, education, etc.). **introduction to sociology - university of florida** - the term sociology was coined by auguste comte (1798-1857) in 1838 from the latin term socius (companion, associate) and the greek term logia (study of, speech). comte hoped to unify all the sciences under sociology; he believed sociology held the potential to improve society and direct human activity, including the other sciences. **what is sociology? - york university** - sociology is the study of the powerful social forces that influence social relations and personal lives. sociology sociology emerged at the time of the industrial revolution, an era of massive social transformations accompanied by new social problems.

**sociology - american river college** - sociology, like any science, is a disciplined, intellectual quest for knowledge about the fundamental nature of things. sociology a.a. for transfer degree this associate in arts in sociology for transfer provides a path to students who wish to transfer to a csu campus in sociology and serves the diverse needs of students who **sociology - colorado department of higher education** - final statewide transfer articulation agreement sociology revised: december 2018 page 3 of 6 science degree, or associate of science degree that is the subject of a statewide degree **what can you do with a sociology degree? | best graduate ...** - the common denominator is that sociology master's programs give graduates the skills to work in an increasingly "data rich environment," says stacey bosick, associate professor and director of ... **baba: sociology (sy) - university of florida online** - area of specialization: sociology (sy) description . the sociology area of specialization provides students with a unique perspective for looking at how society works and at the intricate relationships between individuals and society. sociologists study social life and the social causes and consequences of human behavior.
