# Verbs And Diachronic Syntax A Comparative History Of English And French

**verbs and diachronic syntax: a comparative history of ...** - verbs and diachronic syntax: a comparative history of english and french by ian g. roberts (review) david lightfoot language, volume 70, number 3, september 1994, pp. 571-578 (review) **the diachrony of english light verbs - linguistics** - the diachrony of english light verbs marion elenbaas leiden university proposal : this talk proposes a synchronic and diachronic analysis of english light verb constructions, concentrating on those consisting of a light verb and an indefinite deverbal nominal complement, e.g. give/have a moan, take/make a bow . the analysis tackles two **towards a diachronic typology of future tenses - sle2019** - towards a diachronic typology of future tenses contact name: eugen hill contact email: eugen.hill@uni-koeln ... with inchoative copula verbs (cf. the werden-future in german or the imperfective future in north slavic). less robustly attested are futures succeeding constructions with verbs such as **diachronic correspondence in the conjugations of the verbs** - diachronic correspondence in the conjugations of the verbs of the japanese dialects1 onishi takuichiro 1roduction the purpose of this paper is threefold. firstly, i wish to propose the notion of conjugation class, which is a particularly effective tool for historical comparative research on the conjugation of verbs in the japanese dialects. **diachronic verb movements in chinese - aijssnet** - diachronic verb movements in chinese ke zou english department california state university, east bay ... and the two directional verbs, a natural way to accommodate them is to project three vps with the three verbs as ... chinese directional verb compound, and proposing a morpho-syntactic analysis of the two diachronic verb movements within the ... **a diachronic study on the complementation of the verb ...** - discussing the complementation of the verb caution, the focus will be on the complementation of verbs. thus, i will adopt here the definition offered by quirk et al (1984, 344) who define it as the obligatory elements used with a particular verb to make the listener or reader of the language get or understand a particular sense of this verb. **modeling diachronic change in the third person singular: a ...** - modeling diachronic change in the third person singular: a multifactorial, verb- and author-specific exploratory approach1 stefan th. gries university of california, santa barbara and ... the verbs do, have and say lag behind other verbs in their occurrence with **diachronicpersistenceoflightverbs - uni konstanz** - understanding of light verbs than is often assumed in the literature. section 3 presents historical evidence showing that light verbs tend to be stable or pertinacious in diachronic terms. this is again a property that sets light verbs apart from auxiliaries, which in contrast are very mutable across time. **grammaticalization, complementization and the development ...** - following the use of early corpus based methodologies to document the diachronic increase in the zero complementizer in a number of different verbs (e.g. say, tell, think, know), from me through pde, researchers then turned their attention to trying to understand the factors that might be motivating the observed and ongoing **diachrony in biblical hebrew - ancient hebrew grammar** - diachrony in biblical hebrew and a theory of language change ... diachronic typology, somewhat anticipating its application to the case of עָדָה 'know' in biblical hebrew. 3. diachronic typology and tense-aspect-mood (tam) systems ... based on discernible patterns of perfective verbs in tam (tense-aspect-mood) 86 john a. **multiple routes to clause union: the diachrony of complex ...** - multiple routes to clause union: the diachrony of complex verb phrases t. givón university of oregon eugene, oregon ... so that the two main diachronic pathways that yi eld complex clauses are, from my perspective, the ... including co-lexicalization of the precursor verbs. and second, because the causative main verb ... **ditransitive constructions in germanic languages ...** - from a diachronic perspective, research has mostly concentrated on changes in the available patterns for ditransitive verbs (e.g. the emergence of the prepositional to-construction in the history of english), changes in the formal and functional features of the respective constructions **a diachronic study on the complementation of the verb** - a diachronic study on the complementation of the verb try ... also, not all verbs, even if they were semantically compatible with the context, would allow the omission of the np. for instance, the verb peruse unquestionably requires a complement. huddleston and pullum (ibid., 221) therefore conclude that "if an **the diachronic development of a modal verb of necessity 1 ...** - the idea we have put forth is that verbs' syntax and morphology are determined in some of their aspects by their thematic grid. in this paper, we will show that, the loss of a verb's thematic grid is accompanied by a change in its syntax and morphology. thus, the diachronic change described in this paper as a process of **dynamic two-place indirect verbs in french: a synchronic ...** - on the one hand, we wish to present a comprehensive diachronic study of a valency change in a group of dynamic two-place french verbs. in medieval french, they occur with an indirect object, i.e., with the preposition à, but in modern french, they generally only occur with a direct object in modern french. this group includes the following verbs: **synchronic and diachronic explanation** - (ii) typological universals are a diachronic phenomenon that result in synchronic patterns of grammar. • givón (1984): the correlation between vo word order and prepositions, and ov word order with postpositions reflects the frequently occurring origin of adpositions as verbs within serial verb constructions. **'nominalization' taken literally: a diachronic corpus ...** - ing nouns from verbs. it is argued that the diachronic developments are neatly accounted for in a usage-

---

based theory of word-formation change. this account treats diachronic changes affecting word-formation patterns as constructional change, which is in turn conditioned by changes in the availability and prototypicality of construal options

**serial verb construction in mandarin chinese: the ...** - grammar with a diachronic perspective. the findings may help clarify chinese grammar for language learners for their understanding and usage of this syntactic pattern. 1. introduction

1 this study presents a synchronic analysis of the serial verb construction in mandarin chinese (hereafter chinese) to seek a unified account of this construction.
